MEMORANDUM FOR: Associate Director-Management, NFAC

SUBJECT: Request for [REDACTED], Office of Regional and Political Analysis, to Lecture Before the American Studies Participants of the Christian College Consortium

STATINTL

1. Attached is a request from the Christian College Consortium for me to speak to their American Studies group on the afternoon of 13 October 1978. The lecture and discussion will be in Washington, D. C.

2. The Consortium is made up of small church-related liberal arts colleges. CIA analysts have spoken to this group for several years. I, and an analyst from State/INR, spoke to the group last year about Soviet-Chinese competition in Asia. This year's topic is the Soviet view of the Sino-Soviet relationship and of the US presence in the Far East. I would not discuss classified material nor would I speak from a prepared text.
